This program is a discount plan, not a dental insurance plan. It cannot be used in conjunction with any other plan, for treatment nor in the sole opinion of the doctor that lies outside the realm of his capabilities, such as referrals from our office to specialists, hospitalizations, urgent care, workers comp, medical, automobile, accidental nor other charges of any kind outside this office. This savings plan is intended for the individual patient and is not transferable to another party or family member. Price of Life is the life of the plan and yearly renewals do apply. This discount savings plan cannot be combined with any other offers nor dental carriers. All plans must be paid annually; only plans renewed annually are guaranteed. All other fees subject to discount must be paid at the time of each visit. All plans are subject to review annually and can change at the doctor's discretion upon renewal.
